

Pattern Ease

Tear Away Embroidery Stabilizer

Adds body and support to fabric during machine stitching.
Simply tear away when the work is done!

General Directions

Appliqués

1. Fuse appliqué in place with Trans-web™ or Stitch Witchery®.
2. Place Pattern Ease under fabric and appliqué. Secure with pins or place both in an embroidery hoop.
3. Machine satin stitch around edge of appliqué.
4. Tear away excess Pattern Ease gently.

Machine Embroidery/Monogramming

1. Cut a piece of Pattern Ease larger than design area and place under fabric. Pin in place or secure in embroidery hoop.
2. Stitch design.
3. Tear away excess Pattern Ease gently.

Fabric Care Instructions

- Machine wash warm and dry low (or dry clean.)
- Iron on Permanent Press setting.

Tips for Delicate Fabrics & Stretch Knits

Strips of Pattern Ease placed under seams will stabilize and keep fabric from getting caught in the machine. Pattern Ease also prevents seams from puckering.
